# Brand

Founded in 1977, Gürmetal İmalat ve Kaplama Ltd. Şti. supplies high-quality products to leading furniture, decoration, white goods, automotive, defense, electrical and lighting companies in Türkiye and worldwide. Retroline, founded within our company and integrated into the HORECA supply chain, is our registered brand.

As Retroline, our ambiance products let our customers add eye-catching touches to their homes, offices and businesses. We never compromise on the fair pricing and high quality at the heart of our company culture; we carefully manage our production, plating, assembly, quality control, packaging, supply and customer relations processes with 50 years of experience.

# Design

Under the Retroline brand, we are delighted to bring you our own designs: the portable, rechargeable lighting products of the “Yaman”, “Uzay” and “Talya” series.

The dimensions, decorative buttons and parts of the lamps have been carefully designed and scaled to stand out, considering the space they take up on the table and their lighting focus.

# TALYA

With its seamless look achieved through a minimum number of parts, three-level touch dimming, soft lines and practical dimensions, TALYA adapts to every setting and brings simplicity and elegance together in its design.

| | |
|---|---|
| **DESCRIPTION** | **Aluminum Housing** |
| | **Ø 85 mm** |
| | **H 217 mm** |
| | **Weight 553 g** |
| **LIGHT** | **"2,5W Osram SMD LED** |
| | **240 Lumens** |
| | **2700 Kelvin"** |
| **BATTERY** | **"2600 mAh Li-ion** |
| | **USB 5 V charging** |
| | **8 hours charging time** |
| | **20 hours operating time"** |

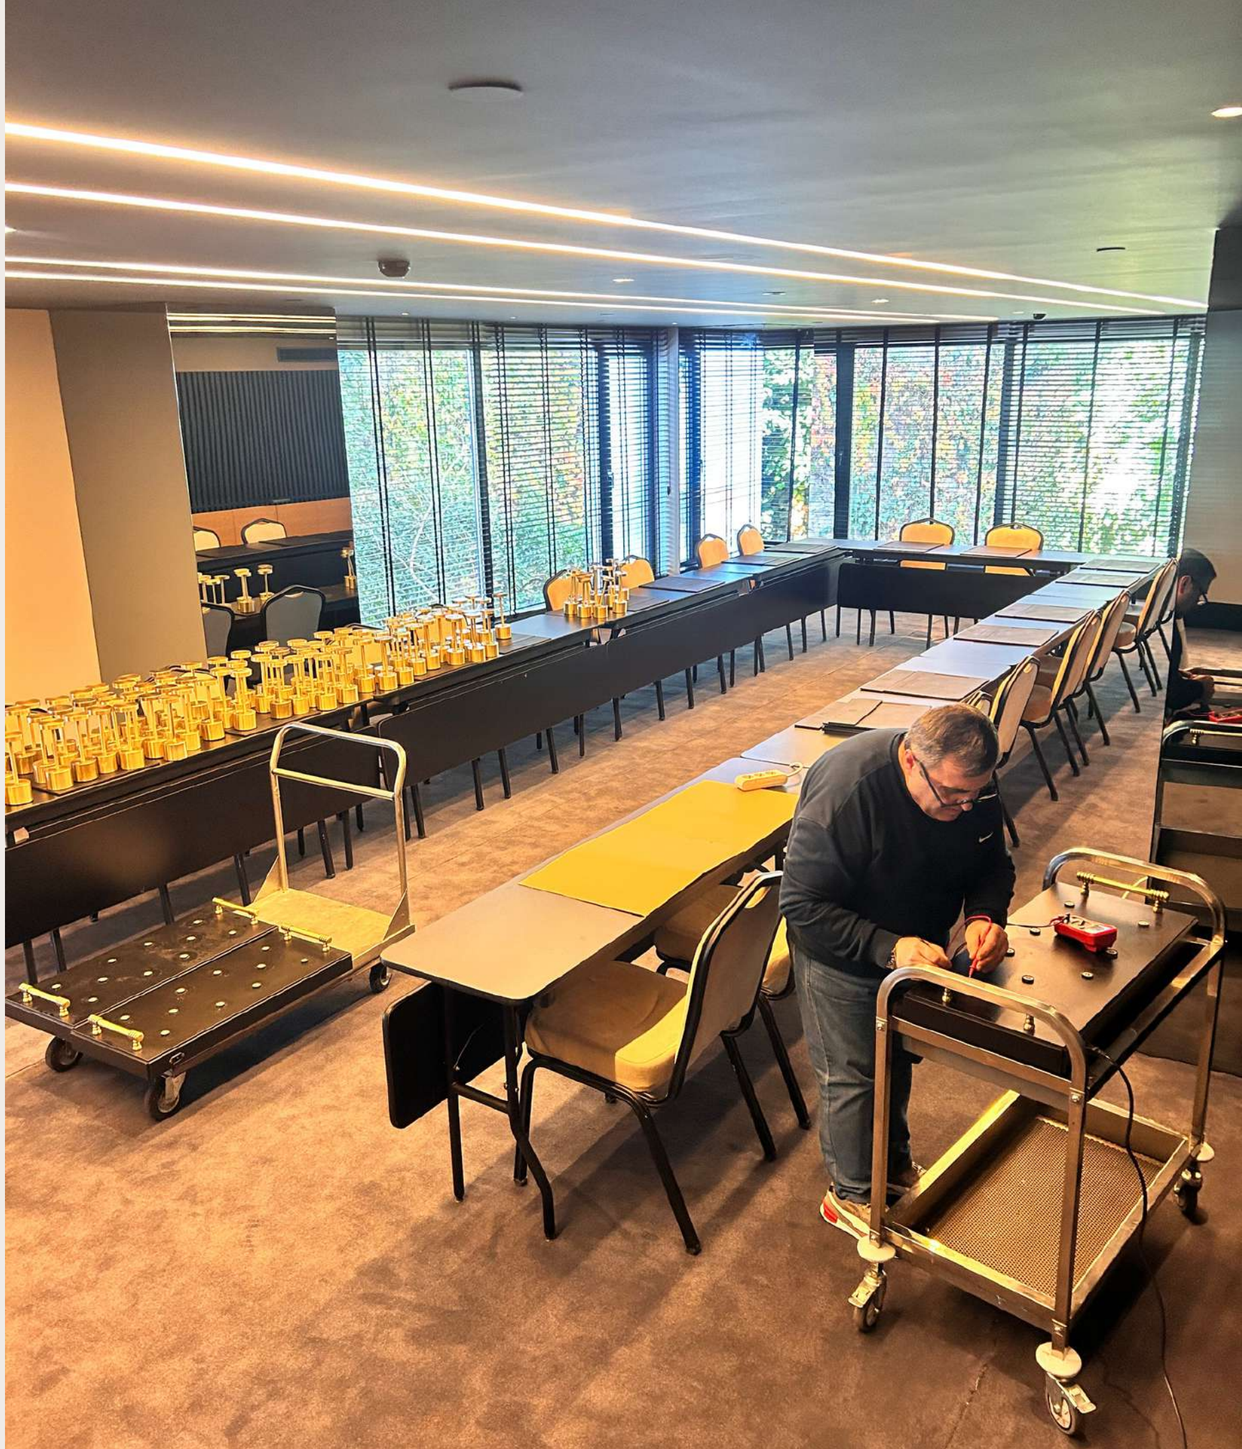

# Multi-Charging Station

Group charging stations feature a special internal transformer system and replaceable handles that match the lamp color for easy carrying.

# Care and Repair

All our products have a 2-year warranty, with technical service, maintenance and repair available for our premium models.

Since 2022, we have always aimed for the best, not only with our products but also in after-sales service and customer satisfaction.

# LİNDA

Minimizing glare with the soft light that filters through its conical shade, LİNDA creates a simple yet powerful focal point on the table and an effect that is easy on the eyes.

| | |
|---|---|
| **DESCRIPTION** | **Iron + PC + ABS** |
| | **Ø 115 mm** |
| | **H 235 mm** |
| | **Weight 266 g** |
| **LIGHT** | **"2,5W LED** |
| | **150 Lumens** |
| | **3000K - 4000K - 6500K"** |
| **BATTERY** | **"3.7V = 2600mAh** |
